The course is designed to help prepare students to sit for the Journeyman exam.

At the end of the 10-week course students will take the NCCER Commercial Electrical assessment and you will know you are ready to sit for the state exam.

- Classes will be held Monday & Wednesday evenings from 5pm to 8pm for a total of 10 weeks
- Classes will be broadcast via zoom from San Antonio
- Classes will be held at individual branches to broadcast the zoom call in a classroom setting

Please reach out to your General Superintendent if you have questions. You may also contact the FSG Guide Center at 866-867-7553 with questions.
