## **FSG Announces Vice President Jeremy Ripley - DFW**

---

---

"It is truly an honor to continue working alongside and help lead the fantastic employees here in FSG Dallas / Fort Worth in this new role. We will continue building on the existing foundation by growing our market share while maintaining the reputable FSG brand. The last 18 years being a part of this group has been an incredible experience, and I am very excited to see what the future has in store for us all here in DFW." - Jeremy Ripley

---

It's no secret that complex businesses require strong leaders. However, true institutional businesses don't just look for strong leaders, they look for strong people. Jeremy Ripley is one of those people.

As an experienced industry professional, Jeremy has been a part of some of the most challenging and rewarding projects and relationships the electrical contracting industry has to offer. However, as a person, Jeremy has contributed professionally as a careful, dedicated manager, to the lives of thousands of team members through the years.

---

---

It is in recognition of both his strength as a leader and his strength as a person that FSG is excited to announce his appointment as the Vice President of the FSG DFW market.

As the Vice President of FSG DFW, Jeremy will lead the DFW team under the guidance and in collaboration with the COO of Construction and the COO of Facility Solutions to deliver sustainable and scalable growth of revenue and profits for the FSG Institution in the DFW Metroplex.

Jeremy brings years of both construction and facility solutions experience to the table with his most recent appointment as the Operations Manager for FSG DFW.

Join us as we congratulate Jeremy on his new role and thank him for taking on this incredible challenge that will, no doubt, contribute to taking FSG DFW to the next level!
